Winding Up the Old Year With
a Sensational Sale of

7,200 Men's Fancy Woven Madras SHIRTS

Every Pattern
Selected For
This Sale

\$1.29

Every Shirt
Made to Our
Specifications

IF thorough preparedness in the selection of patterns, the careful manufacture and extraordinary value giving will make a sale of men's shirts a "knockout," this sale will be the "talk of the town" for months to come.

The utmost attention to details has been given in our preparations for making this sale the greatest value-giving event in the entire year.

First: WE SELECTED EVERY PATTERN THAT ENTERS THIS SALE. Experience has taught us that men like narrow and wide stripes in soft, subdued shades. They're here in numberless combinations—and some flashier combinations if you want them.

THE FABRICS ARE FINE WOVEN MADRAS, corded and plain
and a good sprinkling of satin-striped madras that men will
instantly recognize as worth double what we ask for them.

THE SHIRTS WERE MADE FROM OUR
PERFECT-FITTING MODEL, insuring correct
proportions in body sizes and neckbands.

AND THE VALUES—letters a foot high would
be too small to convey to you the extraordinary nature
of this sale.

NEGLIGEE, SOFT-CUFF STYLES in sizes
14 to 17, with several sleeve lengths in each size.

FINALLY—we would suggest that selection be
made as early in the morning as possible, as 7,200
shirts of this character at so low a price will be picked
up in a few hours.
